EXTRAVAGANZA

5:00-8:00pm

Join us for a family friendly feast in the Grand Ballroom with all your favorites! Chef attended dinner stations will begin serving at 5:00pm. Tables are available for reservation on the Patio and Grand Ballroom. Dress code is relaxed. Large parties and guests welcome. RSVP with the office at 812.425.2243 or office@evansvillecountryclub.com

PLEASE NOTE: there will be no à la carte menu service offered in the Grill on Saturday

Fireworks at 9:00pm!

This year's show will be bigger and better than ever! Thanks in advance to Steve Hammer, Zach Easterling, Rich Easterling, and Dylan Krohn for coordinating our big event.

July initiates the stress period for most golf course operations in the Midwest. Diligent care of our bentgrass putting greens is a must for their survival. July typically is the hottest month of the Southern Indiana calendar meaning that proper irrigation, timely cultural practices and afternoon syringing techniques are in full force. Greens tend to be slightly slower during the summer months as rolling is decreased a bit in order to reduce mechanical stress to the turf. For some of the weeks, we'll rotate the two practices of mowing and rolling as a way to reduce man made stress. The higher July humidity also causes puffiness in the turf. This increases leaf friction, which can lead to slower ball roll.

The golf course staff has been busy the last month or so getting the course in pristine condition along with tidying up a few loose ends. Hole repair, addressing the wet spot to the right of #18 fairway and sodding tree stump wells are just a few. As I write to you, we are in the early stages of repairing a few weak areas in our zoysia fairways. The abundant rainfall coupled with poor drainage caused some suffering to the zoysia. We plan to add drainage where needed and replace the damaged grass with new sod. The new tees at #12 will be sodded soon as well.

We are truly proud of the golf course this year. Plan to bring your friends out to enjoy the hard work that is being done. I hope to see everyone soon. If you ever have any questions, please never hesitate to stop me for a conversation.

Respectfully,
Jeff Sexton, CGCS
Golf Course Superintendent

Much like the beginning half of the year, changes continue at a record pace as we prepare for phase five of the Governor's reopening plan. Beginning in July, ECC's Sunday brunch will be back in full swing along with our famous lunch salad bar, complete with appropriate modifications. Tables in the dining rooms will remain six feet apart to ensure the safety and comfort of members and their guests. Both the 1900 Club and Grill bar will resume normal operations. Considering the fantastically positive feedback we have received regarding the new Gator Grill delivery and ordering system, we plan to continue with the new operation through the pool season. Don's ever popular cardio tennis is also set to begin July 8, while golf was able to recommence at full capacity on June 12. We will continue to keep you updated via Snapshot, Fireside Chat, E-mail, Instagram and Facebook for additional information each week!

Our Entertainment Committee has been busy improving upon classic events while planning new and exciting experiences. Be prepared to go out with a BANG this July 4, because we are looking at our largest firework display ever this holiday! Pyrotechnicians Steve Hammer, Dylan Krohn, Zach Easterling and Rich Easterling are already hard at work preparing for Evansville's one and only show! We are expecting a large crowd for the day's festivities so please make reservations early. Our Varietal Culinary Stations will be served from 5:00 P.M. to 8:00 P.M. with fireworks beginning promptly at 9:00 P.M. Guests who have dined with us for dinner will be welcomed to stay for our spectacular show. Due to the high expectations for turnout, please carpool if possible.

Mark your calendars, because on Friday, July 17 ECC hosts its first ever Tiki themed adult's only pool party. Complete with island music, pig roast, tropical drinks, and pool games, we are planning to set our clocks to island time. The festivities begin at 7:00 P.M. and last until 11:00 P.M. The pool will be open, so throw on your favorite bathing suit and come ready to take a dip.

Family BINGO will take place on July 29. This is a great opportunity for family time while competing for some fantastic prizes! With a cost of only \$5 per person, and all earnings given out as prizes during the night, BINGO is quickly becoming an ECC favorite. Game one of ten gets kicked off at 6:30 P.M. We will offer Varietal Culinary Stations for all to enjoy or you are welcome to order off the menu during rounds. We saw a record crowd at our June BINGO, so this is not one you want to miss!

As a reminder, when making dinner reservations please give us the reservation time you would like to sit down to order, not the time at which you plan to arrive at the club. This will allow us to give you better service and help keep the wait times down for more expedient food delivery. With the 1900 Club now open, we welcome members and their guests to come before or stay after their reservations to enjoy a drink with friends. We look forward to expanding our social spaces and welcome the ability to host more members in the same space this July!

Gary Shetler,
General Manager

Junior Golf

Junior golf continues to have record numbers! It's been great to see all the kids playing golf. The greatest compliment we hear is when kids and grandkids ask if they can go to the golf course! Here are few photos from June:

We look forward to seeing everyone at the Club!

PREVIEW MEMBERSHIP HAPPENING NOW!

ECC is now offering a \$0 initiation fee for all those members wishing to preview all that ECC has to offer. Prospective members can "join" under their choice of membership level (social, swim/tennis, full resident) and pay applicable June, July and August dues each month through August 31. Once August 31 rolls around, they can either opt in and join as a member at the reduced initiation rate, or they can opt out altogether. After they decide to make ECC their official home, they will become eligible for monthly credits in addition to backlogged credits during the months they previewed being added to further reduce the joining fee. ATTENTION MEMBERS

During the shut-down, food minimums were suspended. However, we started charging them again in May. If your last name begins with A-G, July marks a new quarter for you and you will have \$100 to spend over the next three months. If you fall under H-P, this was considered your first full quarter of the year (May-July) and the full \$100 will also be charged. If you fall under Q-Z, July is the second month of your quarter.
